Separate written statements on behalf of respondents no. 1 & 2

& 3 has been filed in the Court today. A copy thereof has been supplied to the learned counsel for the petitioner.

At the outset, learned counsel appearing for the respondent-University, has pointed out that the recognition granted to the petitioner-Society for running an Education College for session 2006-07 had been granted by National Council for Teacher Education only conditionally subject to the "appointment of the requisite staff and ratified by the University before the commencement of the academic session."

In these circumstances, learned counsel points out that as of today the staff selected by the petitioner-College has not been so far ratified by the respondent-University.

In view of the aforesaid objection raised by the learned counsel appearing for the respondent-University, we are satisfied that as of today, the recognition granted to the petitioner-College by NCTE is conditional. The present petition is disposed of at this stage with liberty to the petitioner-College to approach this Court yet again if the necessity so arises after the stipulations contained in the recognition granted by the NCTE are fulfilled.
